

I listent to K-LOVE in my car, in my home and at work. I'm a Chrisitan and I only listen to Chrisian Music. If you take K-LOVE for the Killeen community I will not listen to the radio at all. I enjoy the fact that there is a radio staion in my community that allow me to listen to music I don't have to worry about the lyrics of the somgs they play when I'm with my children or when I have someone riding in my car with me. I don't have to worry about the language of the DJ's, the commericals they play. You'll allow Janett Jackson to expose herself to millions of people around the world but you plann on taking a a Radio staion the teaches Good wholsome Chrisian values. Taking K-Love From my community is a bad move. I Support this station both by listening and by by donating my money. I will be one of many Chrisian who will fight you any way I can. Leave K-Love in the Killeen area.
